GLENDALE 11 DEBUTS NEW SHOW THAT TELLS BEHIND THE SCENES STORY OF JOBING.COM ARENA

GLENDALE, Ariz. – With the opening of Jobing.com Arena in December 2003, one of the country’s most elite sports and entertainment districts was born. It brought with it a myriad of development, visitors and businesses to Glendale.

Five years later, the facility continues to be heralded as a premiere venue for concerts, events and sporting activity in the United States. While hundreds of thousands have visited the facility, and you think you may know Jobing.com Arena, you are in for a surprise.

Glendale 11 and Jobing.com Arena have partnered to provide viewers a “behind the scenes look” of what it takes to run a facility of this magnitude. The new show, “Glendale’s Got Game – Jobing.com Arena” will air weekly on Mondays at 7:30 p.m. on Glendale Channel 11.

“This new program brings people inside a state-of-the-art facility and showcases the staff, technology and spirit of Jobing.com Arena,” stated Douglas Moss, President/COO of the Phoenix Coyotes. “We think this show not only entertains the viewer but demonstrates the unique qualities of this facility.”

Glendale 11 airs on Cox and Qwest Channel 11, 24-hours a day, seven days a week. For a complete viewers guide, visit
