CENTERLINE VISIONING FAIR, CATLIN COURT FRONT PORCH FESTIVAL ON OCTOBER 18

GLENDALÉ, Ariz. – Glendale’s Centerline Project will hold a Community Visioning Fair on Saturday, Oct. 18th from 10 a.m. to 1 p.m. in downtown Glendale at Murphy Park, 58th and Glendale avenues.

This event provides an opportunity for residents to provide input and learn more about Centerline, the city’s plan for the redevelopment of the Glendale Avenue corridor, from 43rd to 67th avenues. Two public events were held in September, a business breakfast as well as a Congress of Neighborhoods, which were attended by nearly 300 people.

The Visioning Fair will be an event for the whole family in a recreational setting. There will be fun activities for children, free food, live music, as well as interactive booths with staff available to answer questions and provide information on the project. Residents are encouraged to bring photos, materials, or anything that they would like to see possibly incorporated into the vision for Glendale Avenue.

This event coincides with the Front Porch Festival, which takes place just north of the park in the Historic Catlin Court District. This long-standing event, running from 10 a.m. to 4 p.m., will feature a day of shopping with special activities on the lawns and front porches of the charming shops and boutiques. Residents and visitors alike can stroll from Murphy Park, directly north to the Visitor Center, where they will receive a map with destination points for the Front Porch Festival.
