IMPORTANT TRAFFIC INFORMATION FOR UPCOMING CARDINALS GAME

GLENDALE, Ariz. – Cardinals fans and regular Loop 101 commuters are being advised of heavy traffic expected on the Loop 101 from Northern Avenue to Camelback Road Thursday evening, August 31.

Cardinals fans need to review the specific parking and traffic instructions, as well as be aware of the suggested routes.

“Fans should arrive early and pack their patience,” said Glendale Senior Principal Traffic Engineer Debbie Burdette. “Commuters who typically use Loop 101 should consider using an alternative route home between 4 and 7:30 p.m.”

Maps of parking lots and traffic routes are available on Glendale’s sports and information website www.glendalestogame.com.

There are also minor traffic restrictions on Camelback between 73rd and 75th Avenue, on Glendale Avenue between 99th Avenue and Glen Harbor Boulevard (west of Loop 101) and at the intersection of 67th Avenue and Glendale Avenue.

To safely move pedestrians in the area, 95th Avenue west of the stadium and Maryland Avenue between 93rd and 95th Avenues will be closed to vehicle traffic.

The city of Glendale has partnered with ADOT to ensure a smooth traffic flow for the stadium’s events. Visitors are encouraged to call **511** for updated traffic information. Glendale Police will be directing traffic to establish a safe and steady traffic flow. Follow traffic signs for direction.
