

# Grandma Glendale says... "Recycle!"

Recycle plastics  
1 and 2  
But this alone  
will not do

Now plastics 3 to 7 can go in the bin  
to be recycled and used again

It's really as simple as it seems to  
protect our planet and keep it green!

Find out more about recycling at [www.glendaleaz.com/sanitation](http://www.glendaleaz.com/sanitation)  
or call 623-930-2660 for free refrigerator magnet

**Grandma Glendale** thinks you're A-OK  
for recycling each and every day!
